inc.®

As Vice President of our Board of Trustees, Darlene will be remembered with love for the “duality of her character: fearless but compassionate; big-picture thinker but master of every detail; extraordinarily driven but grounded in who she was. No task was too big for her, nor was any too small. No matter the setting or context, she displayed great energy, demonstrated unparalleled curiosity, and exuded a love of life.”

Inspiring all girls to be strong,
smart and bold.

STRONG, SMART & BOLD

Who was Dr. Darlene Costa Brown?

Darlene served as the Vice President of the Board of Trustees at Girls Inc. of Taunton. During her time with our organization she as served as chair of the Fundraising Committee and assisted with details of the Administration and Finance Committees. She was fiercely committed to our mission and to our members. She was equally committed to the Bridgewater State University Community, were she served as the Associate Vice President of Finance.
